IDENTIFICATION OF OCCUPATIONAL HAZARDS

This form is to be filled, printed, signed and **hand-delivered**
to the medical service during your consultation

CERN ID.	NAME	FIRST NAME

IDENTIFICATION OF HAZARDS ASSOCIATED WITH ACTIVITIES

100 **Mechanical hazards**

- 101 Operation of machinery used for lifting loads
- 102 Operation of mobile elevating work platforms, forklift trucks
- 103 Use of machine tool
- 104 Use of machinery
- 105 Works involving or in the vicinity of pressurised equipment
- 106 Work involving exposure to excessive vibration
- 107 Drive of self propelled truck

Other (please specify):

200 **Electrical hazards**

- 201 Work in the close vicinity of electrical installations (low and high voltage)
- 202 Work on low/high voltage installations (e.g. repair work, measurements)
- 203 Work on live equipment (e.g. work on batteries, accumulators)
- 204 Work on test platform

Other (please specify):

300 **Chemical hazards** – Work involving direct or indirect exposure to hazardous chemicals with the risk of inhalation, ingestion, or contact with skin or eyes (please specify below)

- 301 Chemicals
- 302 Chromic acid, chromates, alkaline bichromates¹
- 303 Strong acids or bases
- 304 Hydrofluoric acid
- 305 Carcinogenic, mutagenic or reprotoxic agents (CMR - cf. EDMS 1147948)
- 306 Alcohols (flammable, low toxicity): ethanol, isopropanol, butanol, etc.
- 307 Alcohols (flammable, toxic): methanol, etc.
- 308 Ethylene glycol
- 309 Asbestos
- 310 Beryllium and its compounds
- 311 Wood dust
- 312 Laser dyes
- 313 Cyanides
- 314 Detergents
- 315 Fibreglass, rock wool
- 316 Welding fumes and emissions
- 317 Mineral oils, industrial oils, engine oils
- 318 Lubricants and cutting oils
- 319 Mercury and its compounds

¹ except for their diluted aqueous solutions

- 320 Heavy metals² (dust, shavings, etc.)
- 321 Carbon monoxide
- 322 Nanomaterials
- 323 Paints, varnishes, glues
- 324 Perfluorocarbons (PFCs)
- 325 Lead and its compounds (vapours, alloys, oxides, etc.)
- 326 Epoxy resins
- 327 Silica, quartz
- 328 Hydrocarbon solvents (toluene, xylene, acetone, white spirit)
- 329 Halogenated solvents (perchloroethylene, dichloromethane/methylene chloride, chloroform, etc.)
- Others (please specify):

400 Fire/explosion hazards

- 401 Work in an explosive atmosphere (ATEX Zone - cf. GSI-C2)
- 402 Work simultaneously with fuel, source of heat and an oxidizing agent
- 403 Work with substances which can spontaneously ignite
- 404 Work involving the use of a naked flame or 'hot work', welding, etc.
- 405 Handling, transport, transfilling of flammable liquid
- Other (please specify):

500 Hazards associated with ionising radiation

- 501 Work exposing personnel to ionising radiation (external irradiation)
- 502 Internal exposure to ionising radiation due to airborne or surface contamination
- 503 Work with sealed radioactive sources
- 504 Exposure due to operation of X-ray generators
- Other (please specify):

600 Hazards associated with non-ionising radiation

- 601 Use of lasers (specify class of laser:
- 602 Work involving exposure to artificial sources of ultraviolet radiation
- 603 Work involving exposure to artificial sources of infrared radiation
- 604 Work in the vicinity of strong (electro)magnetic fields of very low frequency
- 605 Work in the vicinity of strong electromagnetic fields (1 Hz-1 MHz) (e.g. power converters – cf. IS 36)
- 606 Radiofrequency (e.g. RF cavities)
- Other (please specify):

² cobalt, tungsten, vanadium, chromium, manganese, nickel, titanium, germanium, gallium, bismuth, iridium, lithium, magnesium, molybdenum, strontium, rubidium, palladium

700	<i>Cryogenic hazards</i>
<input type="checkbox"/> 701	Work in specific areas where there is a risk of oxygen deficiency
<input type="checkbox"/> 702	Work in other areas/buildings with cryogenic equipment
<input type="checkbox"/> 703	Work on cryogenic equipment
Other (please specify):	
800	<i>Biological hazards</i>
<input type="checkbox"/> 801	Work involving exposure to legionella bacteria (e.g. work in/on cooling towers)
<input type="checkbox"/> 802	Work involving exposure to human blood products (e.g. Fire Brigade, Medical Service)
Other (please specify):	
900	<i>Road and traffic hazards</i>
<input type="checkbox"/> 901	Driving of motor vehicles
<input type="checkbox"/> 902	Use of bicycles (on roads or in tunnels)
Other (please specify):	
1000	<i>Work environment and ergonomics hazards</i>
<input type="checkbox"/> 1001	Screen work
<input type="checkbox"/> 1002	Work in confined spaces (tanks, sewers, pits, etc.)
<input type="checkbox"/> 1003	Work involving exposure to noise (at least 80 dB(A) over 8 hours) – specify location (building and room number):
<input type="checkbox"/> 1004	Work involving exposure to artificial optical radiation (cf. Directive 2006/25/EC) – specify location (building and room number):
<input type="checkbox"/> 1005	Work involving the manual handling – Specify the weight: Specify % of working time:
<input type="checkbox"/> 1006	Work involving exposure to high or low temperatures
<input type="checkbox"/> 1007	Work involving exposure to adverse weather conditions
<input type="checkbox"/> 1008	Work in and/or access to underground areas
<input type="checkbox"/> 1009	Work involving exposure to the risk of a fall from a height (scaffolding, elevating platform, etc.)
<input type="checkbox"/> 1010	Work in trenches
Other (please specify):	
<input type="checkbox"/> 1100	<i>Hazards associated with the organisation of work</i>
<input type="checkbox"/> 1101	Shift work performed partly or exclusively at night
<input type="checkbox"/> 1102	Participation in an on-call intervention service (outside normal working hours)
<input type="checkbox"/> 1103	Work involving frequent repetitive tasks
<input type="checkbox"/> 1104	Working alone
<input type="checkbox"/> 1105	Work outside CERN (No. of times per year:)
Other (please specify):	

Date and signature,
